Colorado for Family Values (CFV) will join with other pro-family organizations from across the nation who are traveling to Des Moines, Iowa, on Saturday, the 10th of February, to announce their support for a National Campaign to Protect Marriage.

The National Campaign to Protect Marriage will be officially announced and explained to the press and public at a press conference and rally to be held at First Federated Church, 1801 Franklin in Des Moines, beginning at 7:00 p.m.

Presidential Candidates Alexander, Buchanan, Dornan, Dole, Keyes, Gramm and Lugar have confirmed they will be in attendance at the rally and have signed the **Marriage Protection Resolution.** Candidate Forbes also signed the **Marriage Protection Resolution** and said he is attempting to rearrange his schedule so he can attend the rally.

The Marriage Protection Resolution will be announced, and a factual, dramatic new video, "*The Ultimate Target of the Gay Agenda: Same-Sex Marriage*," will be made available to the public. Organizers expect 4,000 voters to attend the rally.

The National Campaign to Protect Marriage will use every available means to expose the destructive, demoralizing, disruptive, extensive impact of legalizing same-sex marriage. No segment of our society would be exempt from its repercussions, especially the children.

For more information on the rally, and to obtain an advance copy of the **Marriage Protection Resolution** being supported by the presidential candidates, please contact the National Campaign to Protect Marriage at (513) 733-8908. For more information on the National Campaign to Protect Marriage at the local and state level, please contact Colorado for Family Values at (719) 577-4916.

Marriage Protection Resolution

WHEREAS marriage is an essential element in the foundation of a healthy society, and **WHEREAS** government has a duty to protect that foundation, **RESOLVED**, the State should not legitimize homosexual relationships by legalizing same-sex "marriage" but should continue to reserve the special sanction of civil marriage for one man and one woman as husband and wife.
